

AHMET ERTUGRUL AKYOL

Education

Ankara University

Associate Degree

Internet & Network Technologies

June 2022

Certificate

Google UX Design

December 2022

Projects

Timeless Threads

In this conceptual project, my responsibilities included conducting secondary research, creating personas, empathy maps, site maps, visual designs, and prototypes. I focused on design aesthetics and UX aspects to target a chic and accessible clothing e-commerce website.

Nourish

In this conceptual project, my responsibilities included conducting secondary research, creating personas, empathy maps, information architecture, visual designs, and prototypes. I focused on design aesthetics and UX aspects to target a friendly and accessible nutrition app.
